Re: Clarification regarding the video recordings ref. in Attached R.T.S.M.

I am requesting that video recordings of incident on December 7, 2018 between approx. 11:00 AM & 12:00 PM in HLBMU program Level 1 located in D. Dorm of Kirkland's Institution be preserved for Evidentiary Purposes in further proceedings.

Also all incident reports written &/or should have been written ~~regarding~~ regarding same.

Thanking you in advance for your assistance.

Respectfully

Sterling Singleton.

Note: Due to the way Prog. Dir. Inhabit is running program I am requesting that ALL video footage for the duration of my time in HLBMU Program to D. Dorm be preserved for Evidentiary purposes. I'm not trying to go back to lock up or catch more time in prison b/c I was forced to respond to incidents initiated in my direction due to him deliberately turning a blind eye to those he's afraid of or have conflicts of interest with.

I pray this finds you blessed & with an open mind. Furthermore, I filed 2 grievances regarding 2 separate incidents in which I'd been stabbed while at Kirkland C in O/Dorm HLBW. It was filed approx. Dec 12, 2018 & the 2 approx. April 11, 2019.

I've yet to receive a response regarding the 2 grievances. Pursuant to Griev. Policy GA-01.12 they were supposed to be responded to within 30-90 days. On the one filed approx. Dec. 12, 2018 it is well over 90 days. The other has been approx. 60 plus days and I am still awaiting response.

Your assistance in this matter is greatly needed in this matter. On delay in response also hinders & prevents my ability to exercise my first and right to access the courts pursuant to Art 1 § 3 SC Const. 1st Am of US Const. As well as SCDC Policy GA-01.03.

Thanking you in advance for your response.

Request Details: Inmate states there is no treatment available to assist with his mental rehabilitation, but is expected to get better and rehabilitate to the standards of "normal society." He sites a case that indicates more than isolation and close supervision is necessary to assess and treat for the rehab of prisoners with serious mental health illnesses. He lists the types of serious mental illnesses and states he suffers from them. He states had he been properly evaluated he would not have been sent to a certain Institution where someone may have to fight to defend himself and possibly get into trouble due to lack of Security. He states he has been stabbed 6-7 times by certain inmates. He does not want to be blamed for the deficiencies of other inmates or staff. He states the blame should be placed where the system fails. He states in addition his history is a reflection of his isolation. All the above in violation 8th & 14th Amendment of US Constitution "Right to be freed from cruel and unusual punishment & equal protection of the law" also Article 1 & 5 of SC Constitution reflecting the same.

RESPONSIBLE OFFICIAL'S DECISION AND REASON:

I have reviewed your concern. You allege while in your cell you were stabbed three times in your left arm, three times in your left shoulder/back, once in your lower back, and once in your head on April 6, 2019. You state that you have stitches in your shoulder and back. You request all relevant SCDC personnel be held responsible and terminated for failing to protect you. The Warden responded to your concern on December 9, 2021. Due to the nature of your grievance, agency procedures provide those grievances alleging criminal activity are forward to the Office of Investigations and Intelligence for review and when appropriate investigation. An investigation into this incident revealed a mutual fight occurred between you and another inmate. The Agency does not condone the behavior exhibited in this grievance. All inmates must adhere to SCDC policies, procedures, and directives to ensure a safe environment for all. You have not shown that SCDC Staff has failed to perform their duties appropriately.

Therefore, your grievance is denied.
